Lane Library District

Special Meeting of the Lane Library District Board of Directors

Tuesday, September 22nd, 2026 at 5:15pm.

Attending: Public: None; Board Members: Erin Weatherly, Vicki Hemphill, Eric Cullander, Lisa Linnell Olsen. Nick Caum, Library Director. Board member Andrew Morgan was absent.

Regular meeting of the LLD Board convened at 5:19pm by Eric C.

No Public in attendance

Nick C. presented the Anti-Climbing Shroud estimate from Chambers Construction Small Projects Division. The immediate discussion centered around the price being higher than they hoped. However, all felt that it was an important project to have done quickly. This is because in the last seven months there have been two incidents of teens climbing up exposed conduit to reach the library roof.

Also suggested adding an additional security camera to cover that space. Nick C. said that currently, the hardware the library uses is maxed out on cameras. During the next remodel, Nick C. will explore adding additional cameras, or if issues persist, moving a current camera to capture the troublesome location.

Eric C. suggested painting the metal ourselves to save some money. The rest of the board agreed that would be fine. Erin W. moved to proceed with the project with the exception of painting the anti-climbing shrouds. Vicki H. seconded. All present voted in favor. The motion passed.

There was a quick reminder to finish all Director Evaluations before the next regular meeting scheduled for Tuesday, October 27th.

Eric C. adjourned the meeting at 5:45pm
