<p>On February 22nd there will be a family event called Be Excited About Reading. B.E.A.R.®'s mission is to foster and enhance a child's lifelong love of reading. The company has developed a reading incentive program which accomplishes this goal using innovative educational products. The B.E.A.R.® Program, which was designed by a classroom teacher, has been successfully implemented in schools for over ten years, and the results are truly wonderful! We know that our system will promote literacy by assisting educators, along with parents, in generating enthusiasm and excitement for the young reader in the classroom as well as in the home where the child receives additional praise and encouragement.</p>						<p>1 11am Knitting Group 2pm Gardening 101</p>
